## Caddo Basin SUD

**Those who excavate/dig within the Caddo Basin SUD Service Area are subject to the following rules:**

### **Notice of Additional Penalty for Damage to Caddo Basin Utility District Water Lines by Excavation /Digging**

Pursuant to Chapter 65.207 of the Texas Water Code, Caddo Basin Special Utility District (CBSUD) hereby gives notice that any person who excavates or digs more than 16 inches deep, within its service area, described as Certificate of Convenience and Necessity No. 10165, located in and around Hunt and Collin Counties, Texas, is subject to the following official rules:

**Damage to District Water Lines and Facilities Caused by Excavation or Digging.** If the District's facilities or equipment have been damaged in any respect due to excavation, digging, or any other activity that damages District water lines and facilities, a fee shall be charged equal to the actual costs for all labor, materials, and equipment necessary for repair or replacement of the District's water lines and facilities. In addition to the fee for the costs of all labor, materials, and equipment, an automatic penalty of \$3000.00 shall also be assessed and shall apply upon each occurrence of a violation of this section. A penalty under this section is an addition to any other penalty or remedy provided by the laws of the State of Texas or this Rate Order.

The Caddo Basin Special Utility District's service policy and map showing the Caddo Basin SUD's service area as well as the official record of rules regarding excavation or digging may be reviewed and obtained at the District's office, at 156 CR 1118 Greenville, TX 75401.
